

Rating revalidation on NPPL, JAR and UK CAA Licenses

Note: If any rating lapses it can **only** be renewed by flight test.

Note: Holders of an SEP rating may still fly SLMG or microlights after appropriate differences training. Holders of a TMG rating may fly any SLMG in UK

Note: If the 1 hour instructional flight is not done then Certificate of Revalidation must be endorsed "Single Seat Only".
 Microlight CofE is endorsed in logbook iaw ANO Art 31A(3)

Note: Existing holders of SLMG or microlight ratings may continue with 13 month revalidation or move to 24 month revalidation.
 Microlight CofE is endorsed in logbook iaw ANO Art 31A(3)
